MINDEKIRKEN MISSION OUTREACH

Located directly in our neighborhood, **Community Emergency Service** transforms lives by serving neighbors, sharing resources, and becoming community. CES meets hunger where it is a critical need, on client's food shelves with home delivery to the homebound and Meals on Wheels to seniors.

iHelpFriendship is a humanitarian aid organization in Bohol, Philippines founded by previous Mindekirken Pastor Gunnar Kristiansen. Mindekirken is the main supporter of ihelpfriendship and our contributions are crucial for meals, education, medicine, and mental health support.

FROM THE PRESIDENT

Greetings from your President and wishing all of you good health! I want to express deep appreciation to all our guest pastors who have made time to minister to us this summer, and who will continue to bless us in the future. Thank you!

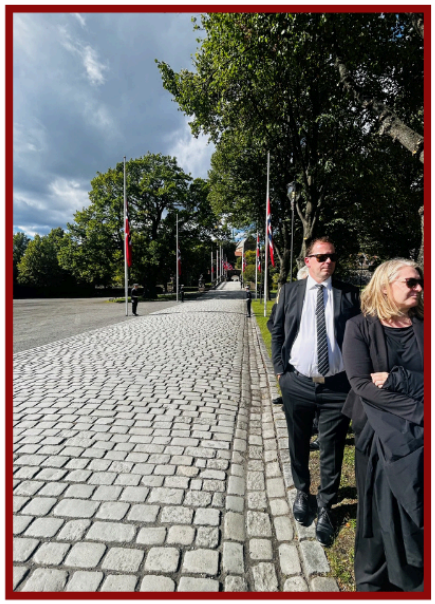

Most of you are aware that His Majesty King Harald V of Norway died on August 28th, 2026. On August 30th, Mindekirken held a special service in his honor, with guest Pastor Morten Gravdal presiding over the event. We had a special combined kirkekaffe held at Norway House afterwards. Moreover, a few days later, Mindekirken was invited to send two members of our Council to represent our congregation during King Harald's funeral and procession. It was very short notice, but Nancy Watkins and I accepted the invite and were in Oslo from Sept 8-11 to attend. It was an honor and privilege to be present as witnesses to this moment in history! We will never forget the outpouring of love and compassion shown by the people of Norway. We are blessed that Harald's son, King Haakon VIII has now assumed the throne. Many of us were able to see and meet the Crown Prince last fall when Haakon came for the special dedication of our church ship, built by Hans Sandom. King Harald V's funeral can be viewed online: tv.nrk.no/serie/kong-harald-vs-gravferd

Thank you to all our friends and fellow members of Mindekirken, who have joined, volunteered, shared your gifts and worked toward energizing our congregation with common purpose, love for each other, and commitment. We continue to need each one of you to make us sustainable!

In October and November, we will be hosting guest Pastor Lloyd Tryland from Norway. And don't forget the LEIF festival! There will be a lot to see and enjoy! I hope to see and meet many of you during the special events.

Yours in Christ,
Laurie Agrimson

THE FUNERAL OF KING HARALD V

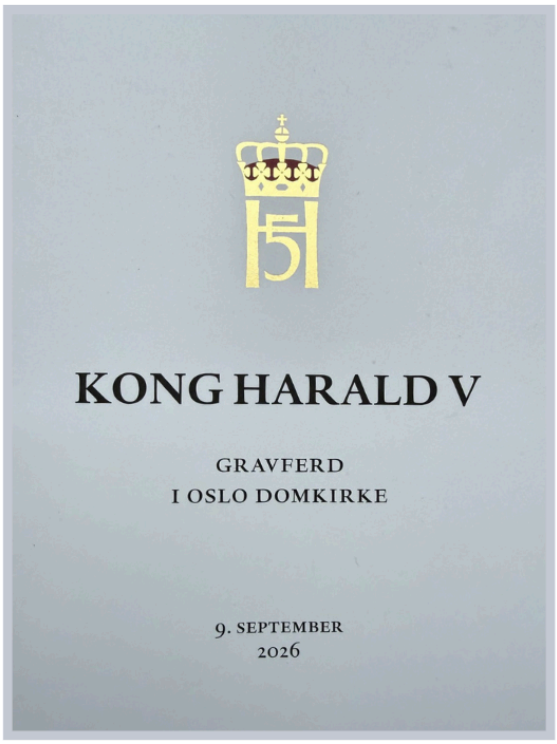

Laurie Agrimson and I had the privilege and honor of attending the funeral of King Harald V of Norway on September 9. As Mindekirken is a patron of the King, an invitation was sent from the Armed Forces as well as the Palace inviting up to two representatives to participate in the event. The invitation was forwarded to members of the council for quick consideration as a response was required within two days. As we both felt it was important to attend representing Mindekirken, and airfare so close to the event was relatively reasonable, we chose to go.

The schedule of events was initially confusing. There was an opportunity to participate in the procession to Askerhus where King Harald was to be placed in the royal crypt or attending the funeral service. Due to scheduling it was impossible to participate in both. Laurie opted to be a part of the procession while I attended the funeral.

Security was extremely tight. Oslo Central was entirely blocked off with barriers manned by local police and military personnel. Funeral attendees received an email with an assigned entry time and a QR code for admission into Oslo's City Center. After clearing security checkpoints we entered the main hall, received our seat assignments and were then transported by bus to the Cathedral.

As I walked into the Cathedral I was immediately struck by the fragrance of multiple floral arrangements filling the spaces by the altar and hanging on walls throughout the Cathedral. The Cathedral is the major setting for major state and royal family events and seats approximately 800 to 930, depending on the configuration of chairs. If you have had the opportunity to watch the service you will note the diversity of the audience. I sat next to the presidents of the Nordic biathlon and cross country ski associations, two organizations under King Harald's patronage and behind Jon Fosse, Norway's Nobel Prize winner in Literature. We waited for approximately 1 ½ hours before the funeral procession arrived at the Cathedral. Attendees were provided seat cushions and cups of water upon request by attending military staff.

The cover of the funeral bulletin

The service was the funeral rite of the Norwegian Lutheran Church. It was extremely moving and I was touched by the tears of the two women who sat alongside of me. This had been their King since they were small children.

After the service I attended the palace reception where I shook hands with both King Haakon and Queen Sonja expressing condolences from the members of Mindekirken. Queen Sonja gave a smile of recognition and asked me to convey her warmest greetings. Guests were then seated for a formal dinner in the Palace's ballroom. My table guests included Christina Carlton, the Executive Director of Norway House, the mayor of Telemark, the former Minister of Agriculture who had visited Mindekirken years ago and a member of the Socialist party.

It was a surreal experience—an honor I did not feel I deserved. But it is a memory I will treasure for life.

Dementia & Caregiving: What You Need to Know
Presenter: Nancy Sailer

Alzheimer's disease profoundly impacts families by creating heavy emotional, financial, and physical burdens for caregivers and loved ones. Over half of primary caregivers report high emotional stress, depression, or anxiety, and 1 in 3 report high physical stress or worsening health. As a licensed social worker, Nancy worked at Lutheran Deaconess Hospital in Minneapolis, three nursing homes, and in home care. She also worked for the Alzheimer's Association as well as managing the first dementia unit in Minnesota. In the early 1990s, Gov. Rudy Perpich appointed Nancy to the Governor's Task Force on Dementia. In the state of Wisconsin, she received the "Pursuit of Excellence Award." In 2019, Gov. Tony Evers recognized Nancy's contributions to the field of dementia care.

GRATULERER, JIM REILLY

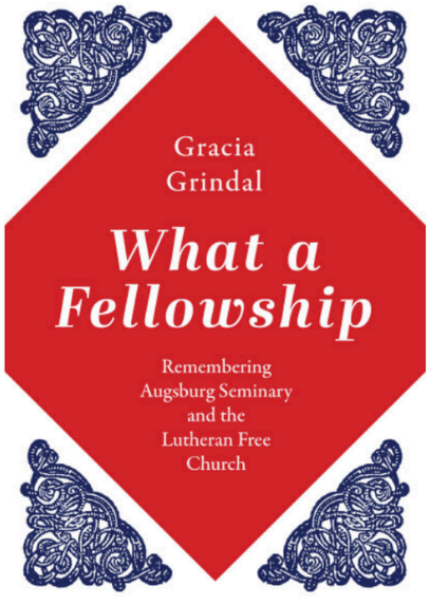

Our Interim Music Director, Jim Reilly, who has also been chairing LEIF 2026, recently received two honors. The first, presented in Indianapolis to Jim in absentia (he was playing the organ at Mindekirken while it happened) is an Award of Merit from Mu Phi Epsilon, an International Music Fraternity composed of both women and men. It is in honor of Jim's "distinguished career in church and community music" and even mentions Mindekirken. Jim has chaired 30+ years of benefit concerts for Mu Phi Epsilon, raising many thousands of dollars for music education in the Twin cities for young people who would not otherwise receive it; many of those concerts have been at Mindekirken. The second honor was a lifetime membership to the Minneapolis-St. Paul chapter of the Alliance Française, and is in honor of Jim's "outstanding dedication to the French language and Francophile cultures." It is because of Jim's interest ("too much interest", he says) in languages and cultures that he originally first appeared at Mindekirken, about forty years ago, as a substitute organist--he thought it would be good opportunity to learn some Norwegian. He admits, however, that his Norwegian will never catch up to his French or Italian; that's probably the fault of his maternal grandfather, who spoke Faetar, a dialect of Franco-Provenzale, a language somewhere between French and Italian.
